Dear Beaver Island Property Owner

We are requesting your attendance at a meeting on June 24, 2008 at 7 p.m. at Peaine Township Hall to discuss the SAVE OUR SHORELINE PROGRAM
At the meeting we hope to discuss:

1. A proposed Phragmites Ordinance (Township attorney Brian Graham will be present to answer questions and concerns)
2. Anticipated higher costs for this year's spraying.
3. Completion of ground survey of shorelines by CMU & DNR by July 1.
4. Encouragement of shoreline property owners to inspect for Phragmites.

A. Please review information enclosed. Helpful websites and links:

B. Volunteers on Beaver Island for additional help:
Port St. James—Karen Whitecraft (448-2266)
West Side—Annette Dashiell (2542)
St. James/East Side—CMU (2325) Pam Grassmick (2314)

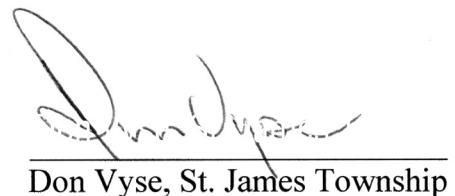

5. Brian Mastenbrook of the Michigan Department of Natural Resources will assist with permits from the DEQ and the awarding of the spraying contract.

Please sign the enclosed card and return by June 24, 2008 to John Works, Jr., SOS Program, 36825 King's Highway, Beaver Island, MI 49782. PLEASE include your check for \$50.00 and we appreciate any additional donations.

Thank you to those who participated and supported our program last year. It is our sincere hope that once again you will review the materials and join us in this mission to SAVE OUR Beaver Island SHORELINE.

Sincerely

John Works, Jr., Peaine Township
